LATEST UPDATE

ARTEIN GASKETS manufactures gaskets and other components related to the automotive industry, such as rubber parts, technical foams and heat shields.

We are a reliable partner for OEM Customers and we are successfully involved in the MotorSport World.

The performance of the ARTEIN AFTERMARKET gaskets and spare parts equals or exceeds the specifications of the original ones. We manufacture with state-of-the-art technology and top grade materials. Our commitment is to provide our clients with absolute compatibility, the highest quality, extensive information and the best customer service.
